Dear Partner,

We are very thankful to our Lord Jesus Christ for all the beautiful and great things he helped us accomplish during 2017 through your gracious and generous support in prayers and finances.

Your prayers and finances are helping us to make a great difference in the lives of **252 Students** and their families through our school which is made up of:

-83 students in kindergarten

-66 students in grade 1

-62 students in grade 2

-17 in grade 3

-24 in grade 4

We hope to open grade 5 and grade 6 in the next school year of 2018-2019. For that reason, in early November 2017, we began the construction of 3 new classrooms to be completed and equipped by the end of August 2018.

Matthew 10:42New International Version (NIV)

⁴² And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward."

Dear friend and partner, thank you so much for giving each one of our 252 students the hope of a better life through the quality education they are getting in our school. We wish you and all your loved ones a very blessed and happy new year 2018.
